

FRIENDi mobile offers free internet at night

MUSCAT 16/06/2014: FRIENDi mobile has introduced yet another value-for-money offer on its data plans running until August 10.

FRIENDi mobile, Oman's third biggest mobile service provider is running an exciting promotion on the existing 1GB mobile internet plan. The offer promises 1GB data absolutely free while activating or upgrading to the standard monthly plan of 1GB data for RO5. The additional free data will be available between 11pm and 4am.

The new offer follows the recently successful 'Double Up Promotion' whereby FRIENDi customers could double up the 1GB plan to 2GB in addition to a monthly bonus of 200MB on an automatic renewal.

The promotion comes as welcoming news to FRIENDi customers as it woos them with more data at the same price. The lucrative offer has been designed keeping in mind that FRIENDi mobile always strive to provide its customers with great offers at an affordable price. Once the free 1GB for night usage is consumed, customers will be deducted from their 1GB data.

Speaking about the promotion, Adnan al Alawi, COO, FRIENDi mobile Oman said, "We are overwhelmed to run the new promotion. This would meet the expectations of our existing customers who require more data. The offer is another initiative from FRIENDi mobile for our customers to provide them with more for less".

He added that customers have been delighted with the recently launched 'Double Up Promotion' and considering the huge success, the mobile service provider decided to run the offer at night.

"This promotion will extend throughout the FIFA World Cup 2014 and the Holy Month of Ramadan providing customers with a power-packed offer during this period", concluded Al Alawi.

If you are wondering on how to activate the offer, you need to dial *140*3# or login online to FRIENDi mobile web self-care.
