

FRIENDi launches completely new and advanced website

Muscat: FRIENDi mobile, Oman's 3rd biggest mobile service provider, has recently launched its completely new and advanced Website www.friendimobile.om. The new website has a fresh, modern and neat design with improved features for the benefit of the user. Indeed, users can easily find their way around and will have a simple and quick access to the required information thanks to the improved and intuitive navigation structure of the new website.

The highlight of the website is the Web self-care and its great new features. In fact and besides improvements of the existing features such as history view, on line recharge and credit transfer, the new web self-care will provide FRIENDi customers with a full management of their service profile and they can now in only one click activate or upgrade their mobile and internet plans.

"We are delighted with the new website. It reflects our customer centric approach to always serve customers in the best way. This website was redesigned with the customer's needs at the top and our main objective is to provide users with the best on-line experience. We are confident that our customers and users will like the new website and they will find it very convenient and 24x7 available way to manage their mobile accounts" said Martin Glud, CEO of FRIENDi mobile Oman.
